

TOLLGATE COMMUNITY JUNIOR SCHOOL

PRIORITIES 25/26

We are committed to building on the strengths at Tollgate to ensure our children experience the very best education possible and our community continues to grow together.

Please see a summary of our priority planning for this academic year.

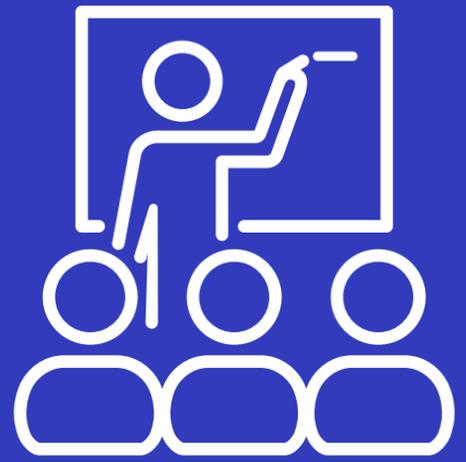

Leadership & Governance

We are committed to strengthening our Governance and embedding our new leadership team to ensure the necessary developments over the coming year.

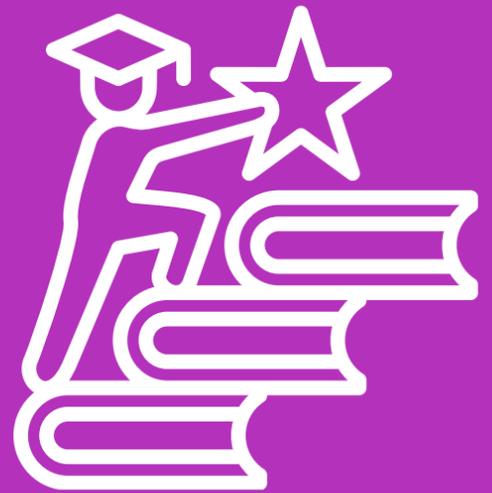

Developing Teaching

Key actions this year include ensuring teaching is of the highest quality, including through the use of retrieval practices and staff development to enhance subject knowledge.

Curriculum & Achievement

Through our work reviewing and strengthening our curriculum, we are ambitious about our goal to achieve improved outcomes for our children to ensure they are ready for their next educational chapters.

Behaviour & Attendance

We are reviewing our Behaviour Policy and improving our attendance procedures to support all of our children to attend school positively and to be successful and happy whilst attending.

Personal Development & Wellbeing

A key focus this year is the development of our Pupil Leadership to increase the children's voice in school, as well as enhancing our club and enrichment offer.

Inclusion

We are developing strong systems for the monitoring of SEND provision to ensure the highest possible standards for our children, as well as ensuring inclusive practices are at the heart of what we do at Tollgate.
